Philadelphia, PA – February 19, 2008 -- Team Clean, a leading provider of janitorial services in the Philadelphia region, recently partnered with Philadelphia Councilwoman Marian Tasco to recognize 50 students from the Ninth District who best demonstrate acts of citizenship, leadership, service, and academic achievement.

Each of the students, identified by their principals from several Ninth District parochial, private, public and charter schools, received a personalized letter from Councilwoman Tasco congratulating him or her on in-school accomplishments, and a \$25 gift card to Staples from Team Clean.

“Team Clean has displayed their commitment to this wonderful City by not just providing jobs and services in the Philadelphia area, but by giving back to our most impressionable and vulnerable residents, our children,” said Councilwoman Tasco. “I am grateful for the opportunity to partner with Team Clean and other businesses to celebrate the young people who are doing positive things in school and in their community.”

The Honorable Marian B. Tasco is widely recognized as one of Philadelphia’s most influential, politically savvy and proactive public officials. Elected to serve her sixth term as City Council Representative for the Ninth District in November 2007, Councilwoman Tasco represents more than 150,000 residents in Philadelphia’s Northeast and Northwest sections.

Team Clean, founded in Philadelphia by Donna Allie in 1985, employs over 550 people in the region.
